

# EVAN ODELL

Currently searching for a position at the intersections of public policy, health and data. I've built a load of [R packages to streamline social science research](#) and maintain a widely used dataset of UK parliamentary speeches far superior to the official version.

## EDUCATION

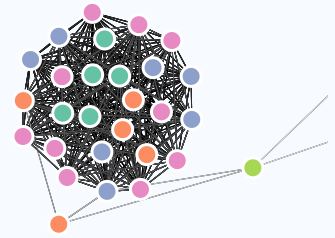

- 2015 | 2014 • **MSc in Comparative Social Policy**  
Oxford • University of Oxford
- 2014 | 2013 • **Visiting Student**  
Vancouver • University of British Columbia
- 2014 | 2009 • **BA (Honours) in Political Science**  
Sudbury/Barrie, Canada • Laurentian University

## PROFESSIONAL EXPERIENCE

- 2020 • **Freelance Project Manager**  
Berlin • Disability Rights UK
- 2020 | 2016 • **Researcher**  
London • Disability Rights UK
- May 2019 • **Instructor in Health Studies**  
East Sussex • Queen's University, Bader International Study Centre
- Oct 2018 | Jun 2018 • **Freelance Data Analyst**  
London • London Business School
- 2016 | 2015 • **Performance and Impact Officer**  
London • Future Leaders Trust

## SELECTED PROJECTS

- Aug 2020 | Mar 2020 • **NHS Unified Information Standard - Protected Characteristics**  
NHS
- Apr 2020 | Jan 2020 • **Use of apps in healthcare treatment**  
NHS
  - Conducted a series of interviews on behalf of the National Health Service on patient experience of public health apps.
